

2022 Super Stock Series Inventory Tire Program

- All teams are permitted to have up to 7 tires added to their inventory for their first individual race they attend. (See tire inventory allotment below)
- Teams are not allowed to exceed the number of tires per event attended.
- Only inventory tires permitted during qualifying & race events.
- **No replacement tires** permitted once a tire has been entered into your inventory.
- Inventory tires sheets must be submitted prior to first practice session on race day. All tires may be inspected by tech at any time.
- Tire serial numbers must be written in shaded boxes. (See sample tire inventory sheet below)
- Tire Program = Any team with 100% attendance receives *free* tire from United Racing Series
- Bonus Tire = Any team with 100% attendance is permitted to add an additional tire to their inventory
- Please direct all questions to Competition Director, Darryl Timmermans:
