

**APC LATE MODEL  
SERIES  
Memo  
May 28, 2018**

APC Late Model Series Teams:

General Rule book Update: (changes in bold)

2.8 Cars that qualify in positions 1-10 will be inverted according to points & season attendance. ***If a car is unable to start in original starting position, cars will move up in that row (not re-order the entire field)***

***2.9: LAST CHANCE QUALIFYING RACE: (if needed): All cars remain impounded after group qualifying & before last chance qualifying race. Cars that advance into feature must re-fuel in the impound area before feature race. No adjustments or changes permitted.***
