

## 2023 Series Championship Points Breakdown

- Drivers must be registered at a participating home track and compete in at least 60% of that home track's regularly scheduled points races **to be eligible** for the series points and points fund. I.e.: 60% of 3 races = 2 (1.8), 60% of 4 races = 3 (2.4), 60% of 5 races = 3 (3), 60% of 6 races = 4 (3.6). This does not include special events.
- Participating tracks are Delaware Speedway, Flamboro Speedway, Peterborough Speedway and Sunset Speedway.
- Drivers that are registered at a participating track and have competed in 60% of their home track races can earn 1 bonus point for each additional race after 60% participation has been reached, with a maximum of 4 additional bonus points to be added to their Qwick Wick Series points total. These can be received at any participating racetrack.
- Points structure for United Racing Series Super Stock events will follow United Racing Series procedures outlined in the general rule book (race points and bonus points)

### NOTE:

- Drivers that do not complete 60% of their Home Track races will not earn points for the Qwick Wick Super Stock Series
