

United Racing Series

**APC LATE MODEL
SERIES**

2022 Rule Update:

BODY 6.12

Numbers must be on the roof (readable from the right side of the car) and both doors. Numbers must at least 18" high and 3" wide. All numbers must be dark on a light background or light on a dark background. No gold, silver, metal flake or trick numbers. A number must be placed on the front of the car below the left headlight cover.

- United Racing Series reserves the following space on all cars for official series sponsor decals. NOTE: Team decals, advertising slogans, text or sponsor identification must not be placed on the areas indicated below.
 - Top 4 inches of front windshield.
 - Top 4 inches of rear window.
 - 16 inches back from front lower rocker panel & 90 degrees upward to forward leading edge of front nose on both sides of the car.
