

## APC LATE MODEL SERIES

### 2022 Practice/Testing & Tire Procedures:

United Racing Series will implement the following procedures affective immediately for the 2022 race season.

#### Practice/Testing:

- There will be **NO private** track rentals of any speedway permitted during 2022 calendar year.
- **Pre-Season Practice/Testing:** Teams are permitted to attend as many official track practice/test sessions or United Racing Series practice/test sessions prior to first race event of the 2022 season.
- **Regular Season Practice/Testing:** All teams will be permitted to practice/test a total of 2 times during the 2022 regular season. Practice/tests may be done at any speedway of their choice during that track's normal practice day/night. Teams must notify Competition Director ([Dtimmermans38@hotmail.com](mailto:Dtimmermans38@hotmail.com)) via email prior to attending the practice/test session. Failure to do so will result in a 2-race event suspension for the entire team, driver, car owner & registered car number.

#### Practice/Test Tires:

- **Teams will only be allowed to purchase 4 practice/test tires per registered car for the entire 2022 season.**
- All registered APC Late Model Teams **MUST** purchase tires from Grisdale Racing Products only. Tire invoice & serial numbers must be submitted to Competition Director by email once purchased.
- Failure to comply with the above tire procedure will result in a 2-race event suspension for the entire team, driver, car owner & registered car number.

**Note: The United Racing Series will reassess the tire supply issues at a later date at which time more practice tires may be released.**

Please forward all questions to Competition Director
