COVID-19 Protocols

There will be strict COVID-19 Provincial approved guidelines to be followed including social distancing during all APC United Late Model Series events for 2020 at Jukasa Motor Speedway, Sauble Speedway and Flamboro Speedway. Safety of staff and competitors is paramount for the APC United Late Model Series. Any team not following these guidelines will be removed from the premises with no refunds and option to return may be prohibited.

- Pit spots will be assigned prior to the event to provide safe distance between haulers/cars.
- Maximum of 5 people permitted per team including the driver with social distancing as much as possible, where it is not possible you must wear a mask or face covering. Masks must be worn going through inspection or any other time when you cannot socially distance.
- There is no interacting with other teams, please stay in your pit area or with your car.
- Drivers must pre-register themselves and their 4 additional crew members.
- Hand sanitizer stations will be available, but it is required to have some in each pit area.
- Washrooms will be available.
- No concessions will be open at this time, we will announce any food options as they become available. This may vary from track to track.
- Individuals must bring their own masks or face coverings.
- If you or anyone on your crew is at higher risk for severe illness, feeling unwell, or who has been in contact with anyone that is sick in the past two weeks we ask that you stay home. Anyone that has traveled outside of Canada is recommended to stay home.
- No alcohol is permitted.
- Teams that are not involved in post race inspection must vacate the premises 30 minutes after the event.
- NO SPECTATORS permitted on site.

Please note that all tracks are working hard with all levels of government and our sport has finally been recognized so it is important to continue to show that our sport is responsible. No exceptions.

Thank you!
